

2026 HOLIDAY GIFTING CATALOG

Because wine is always an appreciated gift.

A Note from the Proprietor

The holiday season has always held a special place in my heart. There is something wonderfully warm and exciting about this time of year—the gathering of family and friends, the traditions we return to, and the joy of finding something thoughtful to share with the people who mean the most to us.

At AJA Vineyards, we believe wine has a beautiful way of making those moments even more memorable. A thoughtfully chosen bottle can become part of a celebration, a dinner, a toast, or simply a moment of connection. It is a gift that invites people to slow down, gather around the table, and enjoy something together.

For our 2026 Holiday Catalog, we have thoughtfully selected a collection of gift boxes designed to make holiday gifting both special and effortless. Each selection reflects our love of wine and our belief that a great gift should feel personal, generous, and meant to be enjoyed.

Whether you are choosing a gift for a few cherished clients, friends and family, or a larger group, we are delighted to help. We can also create custom orders for larger gifting needs, working with you to find the right wines and presentation to suit your occasion and your budget.

From all of us at AJA Vineyards, thank you for allowing our wines to be part of your celebrations. We hope these selections inspire a little excitement as you plan your holiday giving—and, most importantly, bring warmth and enjoyment to those lucky enough to receive them.

With warmest wishes,

Amanda Rubin & The AJA Vineyards Team
